No. 2. November, 1915

WAR COLLEGE DIVISION, GENERAL STAFF

UNITED STATES ARMY

MONTHLY LIST OF MILITARY INFORMATION CARDED FROM BOOKS, PERIODICALS AND OTHER SOURCES

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary: a telephone call will be sufficient.

When a book is called for, the title and author will be given in the language in which it is printed.

The material here listed is not available for general loan outside of the U. S. Army.

6. "How the War in the Air Developed." Information about the French, British, Russian and German

Digitized by Google

aviation services.—FLYING, August, 1915, also INTERNATIONAL DIGEST, September, 1915, p. 191.

7. Cooperation with warships, War of 1914.—ARMY AND NAVY JOURNAL, September 18, 1915, p. 71.

"Destruction of the Koenigsberg."

8 Defense against raids of aircraft. Methods employed in Paris. Series of illustrations showing them.—THE ILLUSTRATED LONDON NEWS, September 25, 1915, p. 388.

9. "Hushing up 'Zeppelin' raid results." Zeppelins in Great Britain.—THE LITERARY DIGEST, October 2, 1915, p. 701.

10. "Cost of war in airships. Summary of the airship losses of the Central Empires since the beginning of the war."—SCIENTIFIC AMERICAN, October 2, 1915, p. 294.

AEROPLANES

Equipment

11. Brief description and view of a chest telephone for aeroplane pilots.—SCIENTIFIC AMERICAN, September 18, 1915, p. 255.

European War

12. Russian defeats said to be due to lack of aeroplanes. —JOURNAL OF THE U. S. ARTILLERY, September-October, 1915, p. 251.

AIRSHIP EQUIPMENT

13. Signaling apparatus used by airships.—SCIENTIFIC AMERICAN, September 25, 1915, p. 265.

AIRSHIPS

Germany

14. Pictures of Zeppelins, showing size and construction of Zeppelins.—THE ILLUSTRATED LONDON NEWS, September 18, 1915, p. 364.

ALABAMA

15. U. S. operations in Alabama and Georgia, spring of

Digitized by Google

1865. Cavalry operations by General Wilson, Campaign of Selma. By L. M. Hosea.—CIVIL WAR PAMPHLETS, p. 243.

ALLOWANCES

Great Britain

16. Regulations for the issue of separation allowance and allotments of pay during the present war.—Filed UC 185, G 7, A 32, 1915. Copy 2.

ALUMINUM

17. "The Use of Aluminum in War." Table giving the world's annual production of aluminum.—SCIENTIFIC AMERICAN SUPPLEMENT, September 25, 1915, p. 208.

AMBULANCES

European War

18. *Great Britain.* Protective coloring. Trees painted on an ambulance. Illustration.—THE ILLUSTRATED LONDON NEWS, August 28, 1915, p. 278.

19. British motorcycle sidecar, type shown in illustration.—THE ILLUSTRATED LONDON NEWS, August 28, 1915, p. 278.

AMMUNITION EXPENDED IN BATTLE

Artillery

20. *European War.* Expenditure of ammunition, English side. Regarding use of ammunition in the present war by English troops, the following is published in the English technical papers: Consumption of ammunition per battery, amount expended around Nieuport and Ostend.—KRIEGSTECHNISCHE ZEITSCHRIFT, Nos. 5 and 6, 1915, p. 135.

AMMUNITION SUPPLY

European War

21. "The belligerents' munitions. Growing problems of Germany and her opponents in supplying arms."—THE NEW YORK TIMES CURRENT HISTORY, August 1915, p. 944.

Digitized by Google

Germany

22. Germany against waste of ammunition. An article giving the essential points of a short manual of instructions recently issued to German gunners and published in THE TEMPS, against the waste of ammunition. "Never fire unless the mark is worth while," seems be the basis.—(In ARMY AND NAVY JOURNAL, New York, 1915. Vol. LII, No. 18, January 2, 1915, p. 568. U1.U7 v. 52.)

23. The German Ammunition supply. An estimate of the rate of production and expenditure during the war 1914–1915. Estimates that the German factories are capable of turning out 50,000 rounds of field gun ammunition, and that the expenditure is something like 20,000 rounds per day. On July 1, 1914, it is estimated that Germany had 2,500 rounds of field gun ammunition for each gun.—(In THE ARMY AND NAVY GAZETTE, Vol. LVI, January 16, 1915, p. 42, U2.A7 v.56.)

ARGENTINA

24. The cost of doing business in Argentina. Living expenses, etc.—COMMERCE REPORTS, October 7, 1915, p. 100.

Rosario

25. Port works—electric light and power. Street railway system—gas works. Waterworks and sewerage system.—COMMERCE REPORTS, October 7, 1915, p. 106.

ARMIES

China

26. Data on the organization of the Chinese army. (From *Internationale Revue ueber die gesamten Armeen und Flotten*, April, 1915.—RIVISTA DI ARTIGLIERIA E GENIO, June, 1915, pp. 387–388.)

European War

27. Estimation of available men for new forces for Germany and the Allied forces. Estimation of losses.—ARMY AND NAVY JOURNAL, September 18, 1915, p. 71.

28. *Austria-Hungary.* Strength in trained and un-

Digitized by Google

trained men. Casualties to July 31, 1915. Resultant available forces.—THE NINETEENTH CENTURY AND AFTER, September, 1915, p. 482.

29.....*Germany*. Strength in trained and untrained men. Casualties to July 31, 1915. Resultant available forces.—THE NINETEETH CENTURY AND AFTER, September, 1915, p. 478.

Great Britain

30.....“Three million soldier Britons.”—NEW YORK TIMES CURRENT HISTORY, October, 1915, p. 53.

Italy

31.....Data on the strength and organization of the Italian army, June, 1915.—JOURNAL OF THE ROYAL ARTILLERY, August, 1915, p. 280.

32.....Organization and recruiting. Information regarding the three classes of active or permanent army of Italy.—Translated from the JOURNAL DE GENEVE, May 21, 1915, and filed Envelope case—Armies—Italy.

United States

33.....Strength of army, 1855. Recruiting circulars. Pay of army.—A VACATION TOUR IN THE UNITED STATES AND CANADA, by Charles Richard Weld, 1855.

ARMORED TRAINS

34.....Armored cars, guns mounted on armored cars, and other details. Illustrations.—ENGINEERING, September 3, 1915, p. 248.

ARMY ORGANIZATION

35.....Ideas of the importance of the different arms of the service, by Bernhardi in “Germany and the Next War.”—ARMY AND NAVY JOURNAL, September 18, 1915, p. 72.

ARTILLERY

European War

36.....Comparison of methods and results of German,

Digitized by Google

French and British artillery.—THE FORTNIGHTLY REVIEW, July, 1915, p. 111.

France

37.——Condition of French artillery immediately prior to European War, 1914-15.—BEHIND THE SCENES AT THE FRONT. By George Adam.—Filed D 640 A19, p. 18.

38.——Law of July 24, 1909, modified by the law of April 15, 1914, relating to the composition of the cadres and effectives of the active and territorial armies, with regard to the artillery, followed by instructions of April 16th and June 8, 1914.—Filed Envelope case—Artillery—France.

Italy

39.——Summary notes concerning the Italian artillery.—MEMORIAL DE ARTILLERIA, August, 1915, pp. 272-275.

ARTILLERY FIRE

40.——Discussion of the maximum range of high angle fire. With tables.—JOURNAL OF THE ROYAL ARTILLERY, August, 1915, p. 266.

AUTO TRUCKS

41.——"The motor-driven commercial vehicle. Interesting forms of farm truck tractors."—SCIENTIFIC AMERICAN, October 16, 1915, p. 344.

European War

42.——*Germany.* Outline of means for return of used war trucks to the general public.—SCIENTIFIC AMERICAN, September 18, 1915, p. 245.

BILLETING

Great Britain

43.——Rates for billeting for officers and soldiers of British army during European War.—Army Order, August 27, 1915.

BOMBS

Great Britain

44.——Bombs in trench warfare, war of 1914-15. Methods

Digitized by Google

of British "Bombers."—BEHIND THE SCENES AT THE FRONT, by George Adam. Filed D 640 A19.

BOTHA, GENERAL

45. General Botha: A Personal Impression.—THE NINETEENTH CENTURY AND AFTER, September, 1915, p. 600.

BOUNTIES

United States

46. *Civil War.* Bounties and their effect on enlistment in the Civil War. Recollection of the 12th U. S. Infantry and Regular Division, 1861-65, p. 15.—CIVIL WAR PAMPHLETS, p. 243.

BUDGETS

Great Britain

47. Expenditures during the European War. First report of the Committee on Retrenchment in the Public Expenditure; 1915.

48. The British budget. Increase in income tax, duties. Tax on war profits.—THE OUTLOOK, October 6, 1915, p. 295.

Japan

49. Japanese budget for 1916-17.—JAPAN FINANCIAL AND ECONOMIC MONTHLY, August, 1915, p. 5.

BULGARIA

Ferdinand, Tsar of

50. The arbiter of Balkan destiny. A sketch of Ferdinand, the King of Bulgaria.—THE INDEPENDENT, October 4, 1915, p. 13.

BURTON, EX-SENATOR

51. Ex-Senator Burton of Ohio in favor of national defense. Abstract of his statement.—ARMY AND NAVY REGISTER, September 18, 1915, p. 355.

CAMBODIA

52. Report on Cambodia. Pnum Penh's water works;

Digitized by Google

water supply of other Cambodian cities.—SUPPLEMENT TO COMMERCE REPORTS, Annual Series No. 54b, August 23, 1915, p. 12.

CAMPS OF INSTRUCTION

Canada

53. Training camps broken up at beginning of winter and men distributed to towns where they are held subject to call.—CANADIAN MILITARY GAZETTE, October 12, 1915, p. 5.

CANALS

Bermuda

54. Brief information concerning the dredging of "Town cut channel," Bermuda.—COMMERCE REPORTS, No. 217, September 16, 1915, p. 1314.

CAVALRY

European War

55. "The Cavalry of the Warring Nations," translated from *Rivista di Cavalleria*, May, 1915.—THE INTERNATIONAL DIGEST, September, 1915, p. 195.

56. Chronicle of cavalry actions in the war of the nations, August 1-31, 1914.—RIVISTA DI CAVALLERIA, August 15, 1915, p. 81.

Switzerland

57. Organization and training of the Swiss cavalry.—RIVISTA DI CAVALLERIA, August 15, 1915, pp. 103-128.

CENSORSHIP

Switzerland

58. Political and military censorship in Switzerland, and how it is applied during the European War.—REVUE MILITAIRE SUISSE, September, 1915, p. 388.

CEYLON

59. Resources, industries, and trade of Ceylon. *British India*, with notes on Ceylon, Afghanistan, and Tibet. —SPECIAL CONSULAR REPORTS No. 72, 1915. Filed HF3786 U5. Page 573.

List of December, 1915

ADMINISTRATION

Germany

1.------Changes in organization of war department incident to the declaration of war, August 1914. —MEMORIAL DEL EJERCITO DE CHILE, October, 1915, pp. 843-850.

2.------War department administration methods and strength of personnel.—ARMY & NAVY JOURNAL, October 9, 1915, p. 166.

AERIAL NAVIGATION

3.------Cooperation of aircraft in artillery fire. Methods in various countries. How information is transmitted to the battery.—MEMORIAL DEL EJERCITO DE CHILE, October, 1915, p. 805-829.

Signals

4.------Daylight landing signals used in bright moonlight: Strips of white cloth on the ground showing an aeroplane where to touch earth and where to stop. —THE ILLUSTRATED WAR NEWS, October 6, 1915, p. 38.

AERIAL WARFARE

5.------"Aerial warfare and the weather. Conditions that affect various classes of aircraft."—SCIENTIFIC AMERICAN SUPPLEMENT, October 23, 1915, p. 259.

European War

6.------Aeroplaning at night. Strips of white cloth on the ground showing an aeroplane where to stop. Description of automatic signal lights.—THE ILLUSTRATED WAR NEWS, Oct. 6, 1915, p. 38.

7.------Photographs showing destruction caused by bombs from aircraft. Zeppelin attack on England, October 13, 1915.—THE ILLUSTRATED LONDON NEWS, October 23, 1915, p. 516.

Digitized by Google

Great Britain

8._____"The defense of London against Zeppelin attacks." —FLYING, November, 1915, p. 745.

AEROPLANES

9._____"Stabilizing war aeroplanes with gyroscopic control." Sperry gyroscope stabilizer and how it works.—AMERICAN MACHINIST, November 4, 1915, p. 793.

France

10._____New French triplane to be used for bombardment. Carries guns and bombs.—SCIENTIFIC AMERICAN, November 13, 1915, p. 423.

European War

11._____Those owned by belligerents at the begining of the war. Modifications made in types by the war. Future development in.—THE ARMY AND NAVY GAZETTE, October 9, 1915, p. 885.

Germany

12._____German type of aeroplanes. How machine guns are mounted. Clipping from *Japan Daily Mail*, September 25, 1915.—Filed Envelope Case.—Aeroplanes-Germany.

Russia

13._____Brief notes on the latest type of Sikorsky machine. —MITTEILUNGEN ARTILLERIE & GENIEWESENS, (*M. A. & G.*), Copy 7, 1915, p. 579.

United States

14._____Need for correcting deficiency in aeroplanes. Number of aircraft in Europe compared with those in the United States.—THE METROPOLITAN, November, 1915.

AIRSHIPS

Germany

15._____Pictures and description of Zeppelins.—THE ILLUSTRATED LONDON NEWS, October 23, 1915, p. 524.

AMBULANCES

Austria

16._____Photographs showing types and arrangement of

Digitized by Google

automobile ambulances. Filed Envelope Case.—Ambulances—Austria.

European War

17.——*Great Britain.* Ambulances. Trailers attached to touring cars.—JOURNAL MILITARY SERVICE INSTITUTION, November-December, 1915, p. 530.

AMBULANCE TRAINS

European War

18.——*France.* Brief article on the system of ambulance trains used in France. Diagram showing how wounded are distributed to the hospitals in the various parts of France.—THE LITERARY DIGEST, November 6, 1915, p. 1009.

AMMUNITION

Artillery

19.——*Great Britain.* Official specifications of shell and shrapnel types authorized for the artillery.—LIST OF CHANGES IN WAR MATERIEL, Issued September 1, 1915, p. 325.

20.——*Manufacture of.* Machining and assembling shrapnel cases.—ENGINEERING, October 1, 1915, p. 333.

European War

21.——The deficiency in the supply of ammunition for the British and Russian armies and reasons for shortage. From *Military Wothenblatt.*—JOURNAL OF THE ROYAL ARTILLERY, September, 1915, p. 334.

France

22.——*European War.* Information on the making of ammunition by private concerns in France.—MEMORIAL DE ARTILLERIA, September, 1915, pp. 463-471. With cuts.

Manufacture of

23.——Organizing and Equipping for fuse manufacture. Making the British detonator mark. 100 fuse.—AMERICAN MACHINIST, October 28, 1915, pp. 749 and 771.

Small Arms

24.——The rifle and its bullet. A short history of fire-

Digitized by Google

arms and the bullets they use. Illustrations of ammunitions.—SCIENTIFIC AMERICAN SUPPLEMENT, October 23, 1915, p. 268.

ANTI-BALLOON GUNS

25._____"The gun and the aeroplane. The difficulties and principles of aiming."—SCIENTIFIC AMERCAN SUPPLEMENT, No. 2078, October 30, 1915, p. 276.

European War

26._____*France.* Picture showing how Paris has obtained immunity from German air-raids. A typical battery of special guns used against aircraft.—THE ILLUSTRATED WAR NEWS, September 25, 1915, p. 15.

ANTI-BALLOON GUNFIRE

Aerial Warfare

27._____*European War.* The range of anti-aircraft guns has increased to 10,000 ft.—SCIENTIFIC AMERICAN, November 13, 1915, p. 423.

ARCHANGEL

Russia

28._____Report on the rapid progress of the port of Archangel. With plan of the harbor.—COMMERCE REPORTS, October 18, 1915, p. 254.

ARMAMENT

29._____Syndicates for War. London correspondence of the *New York Evening Post.* British firms supplying armaments with statement of stockholders. The trail of the gun maker.—WORLD PEACE FOUNDATION, Pamphlet Series, July, 1911, No. 2, Part III. JZ1907 W92 Vol. 1.

cannot read and write.—NORTH AMERICAN REVIEW, December, 1915, p. 873.

PORTS

Russia

405_____The port of Archangel during the European War, 1914.—THE AMERICAN REVIEW OF REVIEWS, December, 1915, p. 746.

406_____Vladivostok open all the year. Information in connection with misleading statement regarding the port and Siberian railway.—SCIENTIFIC AMERICAN, December 4, 1915, p. 487.

POSTAL SERVICE

European War

407_____*France.* Military postal service, War of 1914, France. Newspapers giving addresses of regiments and models of envelopes front and back for correspondence with soldiers in the field. Clipping from *Le Soir*, Paris, September 3, 1914.—Filed Envelope Case—Postal Service—European War—France.

POWDERS

Spain

408_____Serial on modern Spanish powders: III. Decompositions of powders.—MEMORIAL DE ARTILLERIA, October, 1915, pp. 521-550. (To be continued).

PRESS

409_____The importance of the press in time of war. Some details of methods adopted for military control, 1856-1913.—MEMORIAL DEL EJÉRCITO DE CHILE, November, 1915, p. 900.

Germany

410_____*European War.* Organization of a war press bureau. Outline of functions and relations with authorities.—ARMEE VERORDNUNGSBLATT, October 16, 1915, p. 476.

PRISONERS OF WAR

European War

411_____Reports on inspection of prisoners' camps in France,

Digitized by Google

Germany, and Morocco, and the treatment, clothing, rations, and employment of the prisoners.—*Comité International de la Croix-Rouge. Documents de la Guerre de 1914-1915.* D627 R31 Vol. 3.

412——*Russian.* In the hands of the Russians. Daily life of those in Siberia. Rations and other data.—THE JAPAN CHRONICLE, September 29, 1915. Filed Envelope Case—Prisoners of War—European War —Russia.

RAILROADS

China

413——The Changchun-kirin railway and its strategic meaning. The history of the line. Russian criticism. —THE FAR EASTERN REVIEW, September, 1915, p. 158.

RANGE FINDERS

414——Field artillery and infantry range finders. Outline of simple form devised by Prof. J. A. Fleming, Great Britain, 1915, and submitted to the ministry of munitions.—SCIENTIFIC AMERICAN SUPPLEMENT, November 27, 1915, p. 338.

RATIONS

415——Flour moths and army rations. Newly discovered enemies of the human race. With cuts.—SCIENTIFIC AMERICAN SUPPLEMENT, November 20, 1915, p. 333.

Great Britain

416——Means of preventing waste in camps. Reduction in meat ration carried out.—THE BROAD ARROW, November 12, 1915, p. 542.

417——*European War.* List of daily rations to each man. Extra ration for men in the trenches.—AUSTRALIAN MILITARY JOURNAL, July, 1915, p. 536.

RECRUITING

Germany

418——Ruling as to the mustering in of availables passed on as unfit for service.—ARMEE VERORDNUNGSBLATT, October 30, 1915, p. 491.

Digitized by Google

419_____Efficients to non efficients, proportion of. Experience gives one unfit out of 4, data on.—LAND AND WATER, November 6, 1915, p. 10.

Great Britain

420_____Canvass for recruits, organized by Lord Derby. Methods of procedure.—THE BROAD ARROW, October 22, 1915, p. 456-463.

421_____Recruiting in Great Britain. Lord Derby's methods. Apparent success of. Illustration of his recruiting posters.—THE AMERICAN REVIEW OF REVIEW, December, 1915, p. 675-659.

422_____*European war.* Lord Derby's warning. Threat of conscription if his plan fails.—BROAD ARROW, November 19, 1915, p. 564.

RECRUITS

Germany

423_____Recruiting in the German army. Classes of recruits. 1 Fit, 2 Doubtful, 3 Unfit, 4 Impossible—idiots, etc. Data concerning.—LAND AND WATER, November 6, 1915, p. 10.

RED CROSS

European War

424_____Reports on inspection of prisoners' camps in France, Germany, and Morocco, and the treatment, clothing, rations, and the employment of the prisoners.—*Comité International de la Croix-Rouge. Documents de la Guerre de 1914-1915.* D627 R31 Vol. 3.

425_____*Turkey.* Work of the American Red Cross in Turkey, European War, 1914-15.—Filed Envelope Case—Red Cross—European war—Turkey.

United States

426_____"The obligations of the American Red Cross to the armed forces of the U. S."—THE AMERICAN RED CROSS MAGAZINE, December, 1915, p. 380.

REMOUNT SYSTEM

Great Britain

427_____Indian mobilization system. Failure to adopt

Digitized by Google

method in South African War, 1899. How such a plan could have been employed.—How Britain Goes to War, p. 178. DT930 G73.

India

428——Indian mobilization system. British failure to adopt method in South African War, 1899. How such a plan could have been employed.—How Britain Goes to War, p. 178. DT930 G73.

RESERVES

South African War

429——Strength of reserves in South African war. Statement that 1½ times the strength in the field army is necessary.—How Britain Goes to War, p. 133. DT 930 G 73.

United States

430——"The Continental Army Scheme." Colonel W. C. Church, Editor of the *Army and Navy Journal* criticizes it as hopelessly inadequate.—Army and Navy Journal, November 20, 1915, p. 356.

RESOURCES

European War

431——Proportion of iron and steel industries of France, Belgium and Russia in German hands, November, 1915.—North American Review, December, 1915, p. 805.

Germany

432——Resumé relative to the copper supply in Germany. Resources of copper ore including wrought material of 2 million tons, stated as not too high an estimate. Table form "Metall & Erz", May , 1915, giving world's production of copper in the past 4 years.—*Kriegstechnische Zeitschrift*, Nos. 7-8, pp. 175-176.

433——*European war.* German industry during the first year of the war. List of firms which have increased their dividends.—Engineering, November 12, 1915, p. 501.

No. 6. March, 1916

WAR COLLEGE DIVISION, GENERAL STAFF

UNITED STATES ARMY

MONTHLY LIST OF MILITARY INFORMATION CARDED FROM BOOKS, PERIODICALS AND OTHER SOURCES

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call will be sufficient.

When a book is called for, the title and author will be given in the language in which it is printed.

The material here listed is not available for general loan outside of the U. S. Army.

Unless so stated, material in foreign periodicals has not been translated.

No. 7. April, 1916

WAR COLLEGE DIVISION, GENERAL STAFF

UNITED STATES ARMY

MONTHLY LIST OF MILITARY INFORMATION CARDED FROM BOOKS, PERIODICALS AND OTHER SOURCES

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call will be sufficient.

When a book is called for, the title and author will be given in the language in which it is printed.

The material here listed is not available for general loan outside of the U. S. Army.

Unless so stated, material in foreign periodicals has not been translated.

PRESS OF THE ARMY SERVICE SCHOOLS

WAR COLLEGE DIVISION GENERAL STAFF

UNITED STATES ARMY

MONTHLY LIST OF MILITARY INFORMATION CARDED FROM BOOKS, PERIODICALS AND OTHER SOURCES

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call will be sufficient.

When a book is called for, the title and author will be given in the language in which it is printed.

The material here listed is not available for general loan outside of the U. S. Army.

Unless so stated, material in foreign periodicals has not been translated.

PRESS OF THE ARMY SERVICE SCHOOLS

WAR COLLEGE DIVISION GENERAL STAFF

UNITED STATES ARMY

MONTHLY LIST OF MILITARY INFORMATION CARDED FROM BOOKS, PERIODICALS AND OTHER SOURCES

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call will be sufficient.

When a book is called for, the title and author will be given in the language in which it is printed.

The material here listed is not available for general loan outside of the U. S. Army.

Unless so stated, material in foreign periodicals has not been translated.

PRESS OF THE ARMY SERVICE SCHOOLS

No. 10. July, 1916

WAR COLLEGE DIVISION GENERAL STAFF

UNITED STATES ARMY

MONTHLY LIST OF MILITARY INFORMATION CARDED FROM BOOKS, PERIODICALS AND OTHER SOURCES

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call will be sufficient.

When a book is called for, the title and author will be given in the language in which it is printed.

The material here listed is not available for general loan outside of the U. S. Army.

Unless so stated, material in foreign periodicals has not been translated.

PRESS OF THE ARMY SERVICE SCHOOLS
FORT LEAVENWORTH, KANSAS

No. 11. August, 1916

WAR COLLEGE DIVISION GENERAL STAFF

UNITED STATES ARMY

MONTHLY LIST OF MILITARY INFORMATION CARDED FROM BOOKS, PERIODICALS AND OTHER SOURCES

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call will be sufficient.

When a book is called for, the title and author will be given in the language in which it is printed.

The material here listed is not available for general loan outside of the U. S. Army.

Unless so stated, material in foreign periodicals has not been translated.

PRESS OF THE ARMY SERVICE SCHOOLS
FORT LEAVENWORTH, KANSAS

WAR COLLEGE DIVISION GENERAL STAFF

UNITED STATES ARMY

MONTHLY LIST OF MILITARY INFORMATION CARDED FROM BOOKS, PERIODICALS AND OTHER SOURCES

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call will be sufficient.

When a book is called for, the title and author will be given in the language in which it is printed.

The material here listed is not available for general loan outside of the U. S. Army.

Unless so stated, material in foreign periodicals has not been translated.

PRESS OF THE ARMY SERVICE SCHOOLS

No. 13. October, 1916

WAR COLLEGE DIVISION GENERAL STAFF

UNITED STATES ARMY

MONTHLY LIST OF MILITARY INFORMATION CARDED FROM BOOKS, PERIODICALS AND OTHER SOURCES

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call will be sufficient.

When a book is called for, the title and author will be given in the language in which it is printed.

The material here listed is not available for general loan outside of the U. S. Army.

Unless so stated, material in foreign periodicals has not been translated.

PRESS OF THE ARMY SERVICE SCHOOLS

LIBRARY
OF THE
ARMY WAR COLLEGE

MONTHLY LIST OF MILITARY INFORMATION CARDED FROM BOOKS, PERIODICALS, AND OTHER SOURCES

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Secretary, Army War College, Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection see Par. I, Bulletin No. 52, War Department, 1916.

No. 15 December, 1916

LIBRARY
OF THE
ARMY WAR COLLEGE

ONTHLY LIST OF MILITARY INFORMATION CARDED FROM BOOKS, PERIODICALS, AND OTHER SOURCES

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Secretary, Army War College, Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection see Par. I, Bulletin No. 52, War Department, 1916.

LIBRARY
OF THE
ARMY WAR COLLEGE

MONTHLY LIST OF MILITARY INFORMATION CARDED FROM BOOKS, PERIODICALS, AND OTHER SOURCES

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Secretary, Army War College, Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection see Par. I, Bulletin No. 52, War Department, 1916.

No. 17 February, 1917

LIBRARY
OF THE
ARMY WAR COLLEGE

MONTHLY LIST OF MILITARY INFORMATION CARDED FROM BOOKS, PERIODICALS, AND OTHER SOURCES

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Secretary, Army War College, Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection see Par. I, Bulletin No. 52, War Department, 1916.

LIBRARY
OF THE
ARMY WAR COLLEGE

MONTHLY LIST OF MILITARY INFORMATION CARDED FROM BOOKS, PERIODICALS, AND OTHER SOURCES

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Secretary, Army War College, Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection see Par. I, Bulletin No. 52, War Department, 1916.
